

FLYER FLING 2016!

WHAT IS IT?

FLYER FLING 2016 is a one-day train show that is primarily for S-gauge trains and American Flyer enthusiasts. It is hosted by the Sacramento Valley American Flyer Club (SVAFC) who also host the Flyer Fest West in rotation with other California S gauge clubs. FLYER FLING 2016 is not the same as Flyer Fest West, though - the FLING does not include a banquet or a commemorative car - it is simply a train meet where S gaugers can buy and sell trains and visit with old friends (and maybe make new ones!). Because the FLING is lower-key than a Fest, we have reduced the cost of registration and trading tables.

FLYER FLING 2016 will include a door prize and several raffle items. Each registrant will receive one free ticket for the door prize and one free ticket for the raffle. Additional raffle tickets will be available for sale so you can improve your chances of winning one of the fine raffle prizes. We hope to have one or more clinics; this is not finalized at the time of writing this introduction to the FLING.

Lastly, the FLING is not intended to replace Flyer Fest West. Our sister club in the Bay area, the Golden Gate American Flyer Club (GGAFC), is actively planning the next Fest which they will host in 2017 and our club fully supports them. Then in 2018 it is our (SVAFC's) turn again to host the Fest which, we hope, will continue to feature a banquet and commemorative car. The FLING is intended to provide a meet in the Northern California region for local and points north S gaugers in the years when the Southern California club hosts the S Fest West.

Accompanying this introductory note is a registration form and timetable for the meet. The timetable is on page two (back) of the registration form. If you wish to attend, please mail the completed form or a copy back with your personal check or money order. Note that the meet will be held in the same location as SVAFC's Flyer Fest West. If you have any questions please call or email us! See you in September!
